

REMARKS

Applicants respectfully request that the amendments to Table 2 be entered. This amendment adds compounds that were inadvertently omitted from the application. This amendment is supported in Figure 1 of the provisional application, serial number 60/532,272, of which the present application claims the benefit. In particular, compound 1467 corresponds to compound 675, and compounds 1468-1471 correspond to compounds 3371-3374, respectively, in Figure 1 of the provisional application.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 532232001100. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
